## OPTIMAL PROTECTION PROSHIELD PREMIUM® WEATHERED COLOR

Our FIBERWOOD composite boards from FIBERWOOD feature excellent PROSHIELD PREMIUM® protection. This protective layer covers all four sides of the boards, providing ultimate protection against stains, impacts, insects, scratches, and UV rays that cause discoloration.

Our PROSHIELD PREMIUM® protection allows for controlled natural discoloration of the boards in the first few months of installation in their natural environment, and then maintains their beautiful natural color throughout their lifespan, with a 20-year warranty.

## A 100% ECO-FRIENDLY PRODUCT

According to statistics, approximately 1 million plastic bottles are consumed every minute worldwide. Our FIBERWOOD composite boards offer a concrete solution to this critical problem.

Made from 90% recycled wood particles and plastic, our FIBERWOOD composite boards are environmentally friendly. Each board helps reduce plastic waste and preserve forest resources.

This eco-friendly product is 100% recyclable. After approximately 20 years of use, the FIBERWOOD board can be transformed into new materials, avoiding its accumulation in landfills.

Choose FIBERWOOD for a more environmentally responsible lifestyle. Together, let's build a better future, one board at a time.
